PETITION TO THE PRESIDENT AND MEMBERS OF THE STATES OF JERSEY

Name of person(s) or body responsible for this petition –

Supporters of Mary Herold

These are the reasons for this petition:–

We would like the Minister for Planning and Environment to stop his pursuit in challenging a decision of the Royal Court which Mary Herold was successful in challenging. If he is successful the developer will gain permission to build the 17 flats which this Community feel are inappropriate in scale, height and design for the site and coastline of this area. We ask him to stop wasting tax payers money in the Courts. If the Minister requires elements of the Island Plan be clarified, then it is within his scope to table an amendment to that document.

We, the undersigned, petition the States of Jersey as follows:–

The Minister for Planning and Environment is requested to stop his appeal of a decision of the Royal Court which ruled against the development planned around Keppel Tower, Grouville.
